REMARKS

Applicant requests entry of the instant Amendment.

Applicant is concurrently filing a Request for Continuing Examination (RCE) in response to the Notice of Allowability dated September 2, 2004 issued by the United States Patent and Trademark Office in connection with the above-identified Application. The present amendment is directed to formalities. Favorable reconsideration and allowance of the application is respectfully requested.

Applicants assert that the present invention is new, non-obvious and useful. Prompt consideration and allowance of the claims is respectfully requested.

The foregoing amendments and remarks are directed to formalities, in order to move the above-referenced patent application to issue. Entry of this paper is respectfully requested.

Status of Claims

Claims 26-46 have been allowed and have not been amended.

Remarks to the Specification

The amendments to the specification are editorial in nature and are meant to correct form and language only. No new matter has been added.

Most of the amendments are requested to correct the English. This includes corrections of grammatical and typographical errors and to maintain referential consistency within the text.

The following corrections have been made to correct incorrect terms which are correct in other parts of the text:

In the paragraph on Page 9 that begins with the words "In accordance with a further embodiment..." and in several other places in the specification, the term "set-up box" has been changed to –set-top box–;

In the paragraph on Page 15 that begins with the words "The high speed NDSL modem..." the term "DTM" has been changed to –DMT–;

In the paragraph on Page 15 that begins with the words "The high speed NDSL modem..." and in the paragraph on Page 16 that begins with the words "Reference is now made...", the term "subscriber's premises" has been changed to –subscriber premises–;

The following corrections have been made to correct incorrect figure reference numerals cited in the text:

In the paragraph on Page 16 that begins with the words " Reference is now made...", the term "modem 801" has been changed to –modem 805– to match the text to the drawing;

In the paragraph on Page 17 that begins with the words " A block diagram of a...", the term "modem 805" has been changed to –modem 605– to match the text in the continuation of the paragraph where modem 805, the object of discussion in the paragraph, is compared to modem 605.

It is respectfully asserted that none of the above listed changes add new matter. Approval is requested to the above listed changes.

Should the Examiner have any question or comment as to the form, content or entry of this Amendment, the Examiner is requested to contact the undersigned at the telephone number below. Similarly, if there are any further issues yet to be resolved to advance the prosecution of this application to issue, the Examiner is requested to telephone the undersigned counsel.

Authorization to Charge Deposit Account

The United States Patent and Trademark Office is hereby authorized to charge Deposit Account 501380 for any fee which is necessary in connection with the filing of this amendment.
